Award Winning Excellence Since 1934

The Independent Insurance Agents of New Mexico (IIANM) welcomes and encourages your organization to join over 150 Associate members. Whether you are a major insurance company, general agency or service provider, we have benefits for you.

IIANM, chartered in 1934, is the oldest and the largest trade association in the state. Approximately 180 agencies and subsidiaries, with over 2,000 agents make up this organization.

IIANM is not a stand-alone association; we are the local arm of the Independent Insurance Agents and Brokers of America, also known as the "Big I". Together with 49 other states, we represent a network of over 300,000 agents and insurance personnel.

Associate membership entitles you access and an invitation to participate in featured events, career development programs and association speaking engagements to be side-by-side with our agency members.
